

THANKS!
for the best

KRAB 107.7 FM
NOVEMBER

MARATHON REPORT

A hearty and heartfelt thanks for all of you who pledged during the October Marathon, making it the most successful marathon yet. The final total was \$17,625, pledged by 838 of you. We have a record amount of money pledged by a record amount of people. Once the marathon is over, we start tracking our collection rate. In the past, we have realized 80-90% of the pledged total for the marathon. Maybe we can make this a record marathon for collections, too. By now, all of you who pledged should have received a reminder in the mail. (At this writing, the Canadian postal workers are on strike, so Canadian pledgers may not be receiving reminders.) Some of you sent in your money before your reminder arrived in the mail. In that case, just ignore it. If you get a second reminder, let us know. There may be some mistake in the membership system.

We have change the style of our membership cards - the BankAmerikrab. New subscribers will receive their new cards within four weeks of their subscriptions. Those of you who have the old style cards will receive new ones when you renew your subscriptions. Old and new cards alike will be honored by community sponsors. The new cards, by the way, were donated by printer Hugh James of In Print, in Tukwila.

Those of you who pledged for premiums in the marathon will receive letters telling you how to redeem your premiums. It takes a little extra time to process your subscription. Special thanks to Christine Jayne who recruited most of the premiums for the marathon - and to the businesses and individuals who donated them.

Many people worked together for the ten days of the marathon, making it the success that it was. Program producers worked on special programs to illustrate the marathon theme of Freedom of Expression; others put together special shows for their regular programs; other volunteers answered the telephones, took your pledges, prepared the reminder mailings, and helped the program producers in asking you for money. The volunteers working together, listeners responding with moral and financial support - this is the essence of KRAB that we all treasure. Thank you one and all for your contribution.

CIRCLE A SQUARE AROUND DECEMBER 2nd

On your calendar, because that's the date for the Krab benefit square dance, a hot time in the old town tonite. The dance will be held at the Island Center Hall, tucked away among the trees on Bainbridge Island (look for a map in next month's guide).

Playing the music will be the Flash in the Pan String Band, featuring the calling of Ms. Sherrie Nevins. You say that you don't know how to square dance? Not to worry. You will be taught each dance before it begins. All you need to know in advance is your right hand from your left and your numbers from one to four (not necessarily consecutively).

In brief, the particulars: December 2nd, 8 to midnite...Island Center Hall, on Bainbridge Island.

Look for more information (and a map) in next month's guide.
